R. CIV. <sup>1</sup> In its response, plaintiff notes its intention to use additional deposition testimony of Patrick Del Monico, taken in a separate matter between defendant and a third party. The court grants defendant's motion to the extent concurred by plaintiff and declines to address the admissibility of this additional testimony because plaintiff has not formally moved for permission to use such testimony. See FED. R. CIV. P. 32(a)(8); FED. R. EVID. 804(b)(1).
